

# Project Description

- ACHD will reconstruct and widen Cloverdale Road to include:
  - Two travel lanes in each direction, with a center turn lane
  - Curb, gutter, sidewalk, and raised bike lanes on the both sides of the roadway
  - Continuous street lighting
  - An upgraded pedestrian signal at Emerson Drive and Cloverdale Road
  - Upgraded school zone flashers
  - A new bridge over the Ridenbaugh Canal
- This project is being coordinated with the Idaho Transportation Department (ITD) project to replace the Cloverdale Road overpass with a wider bridge over I-84. The overpass will include:
  - Two lanes in each direction
  - Multi-use path  
*See ITD board for more information*
- The projects will be bid and constructed at the same time

## Purpose

- Response to emergency situation and coordination with ITD
- Improve motorist, pedestrian, and bicyclist safety
- Accommodate future traffic volumes
