

2021 FEDERAL AID CAPITAL MAINTENANCE PHASE 1

Pleasant Valley Road, Gowen Road to Hollilynn Drive

Expected to start August 2021

Project will include full depth reconstruction with some base reconstruction. Road will remain open but there will be flaggers and a temporary signal with only one lane open for a majority of time during construction.

2020 FEDERAL AID CAPITAL MAINTENANCE PHASE 2

Gowen Road, Harvard St. to Broadway Avenue

April to July 2021

Lane restrictions may be in place between 8 PM and 7 AM. There may be some short duration flagging with delays of no more than 15 minutes. When construction impacts traffic there will be a minimum of one travel lane in each direction with a minimum width of 11 ft.
