

# Study Purpose

The ACHD and City of Kuna have been working on the **Kuna Downtown Corridor Plan** to identify how residents and visitors get to, through, and around the downtown using all modes of travel.

The goal of the **Kuna Downtown Corridor Plan** is to identify projects and priorities for intersections; pedestrian, bicycle, and transit facilities; and truck routes along the **Avalon Street/Main Street/Bridge Street corridor**, between School Avenue and Kay Street.

**KUNA  
DOWNTOWN  
CORRIDOR PLAN**
