

Description

Realign Collister Drive to the west with dedicated right and left turn lanes onto State Street

Widen State Street within project limits and add medians where necessary for safety

Include curb, gutter, sidewalk and bike lanes

Add a westbound transit stop

Construct an improved access point to the Greenbelt

Add additional crosswalk across State Street

Enclose sections of the Farmers Union Canal within the project limits to accommodate widened roadway, sidewalks and bike lanes on south side.

This is a Federal Aid project.
