Re: Clark Street, Orchard Street to Roosevelt Street

Dear Interested Citizen,

Thank you for your interest in the Clark Street, Orchard to Roosevelt Project. The information and comments provided by you during or after the March 12, 2015, open house are greatly appreciated. In the time since the public involvement meeting, the ACHD project team and Commission have reviewed the information and comments received at the open house.

The open house was attended by 14 individuals and we received 17 comments regarding the project. As illustrated below, most respondents were in favor of constructing curb, gutter and sidewalk on both sides of Clark Street.

Construction Options	Votes	Percentages
Option 1: Construct curb, gutter and sidewalk on <u>north side</u> of street	2	11.8%
Option 2 - Construct curb, gutter and sidewalk on <u>both sides</u> of street	12	70.6%
None – do not build	1	5.8%
Not sure	2	11.8%

As a result, ACHD will proceed with Option 2, constructing curb, gutter, and sidewalk on both the north and south sides of Clark Street. The next step will be to finalize the design and purchase needed right-of-way in 2016. Construction is planned for 2018.

If you have any questions, please feel free to contact me. I can be reached by phone at (208) 387-6249 or by email at projects@achdidaho.org. On behalf of ACHD, thank you for your comments.

Sincerely,

Adam Zaragoza,
Project Manager
Ada County Highway District
