

# #1 - No Change: Existing One-Way

## Potential Benefits

- Familiarity for existing users
- Retain existing on-street parking
- No change for existing businesses

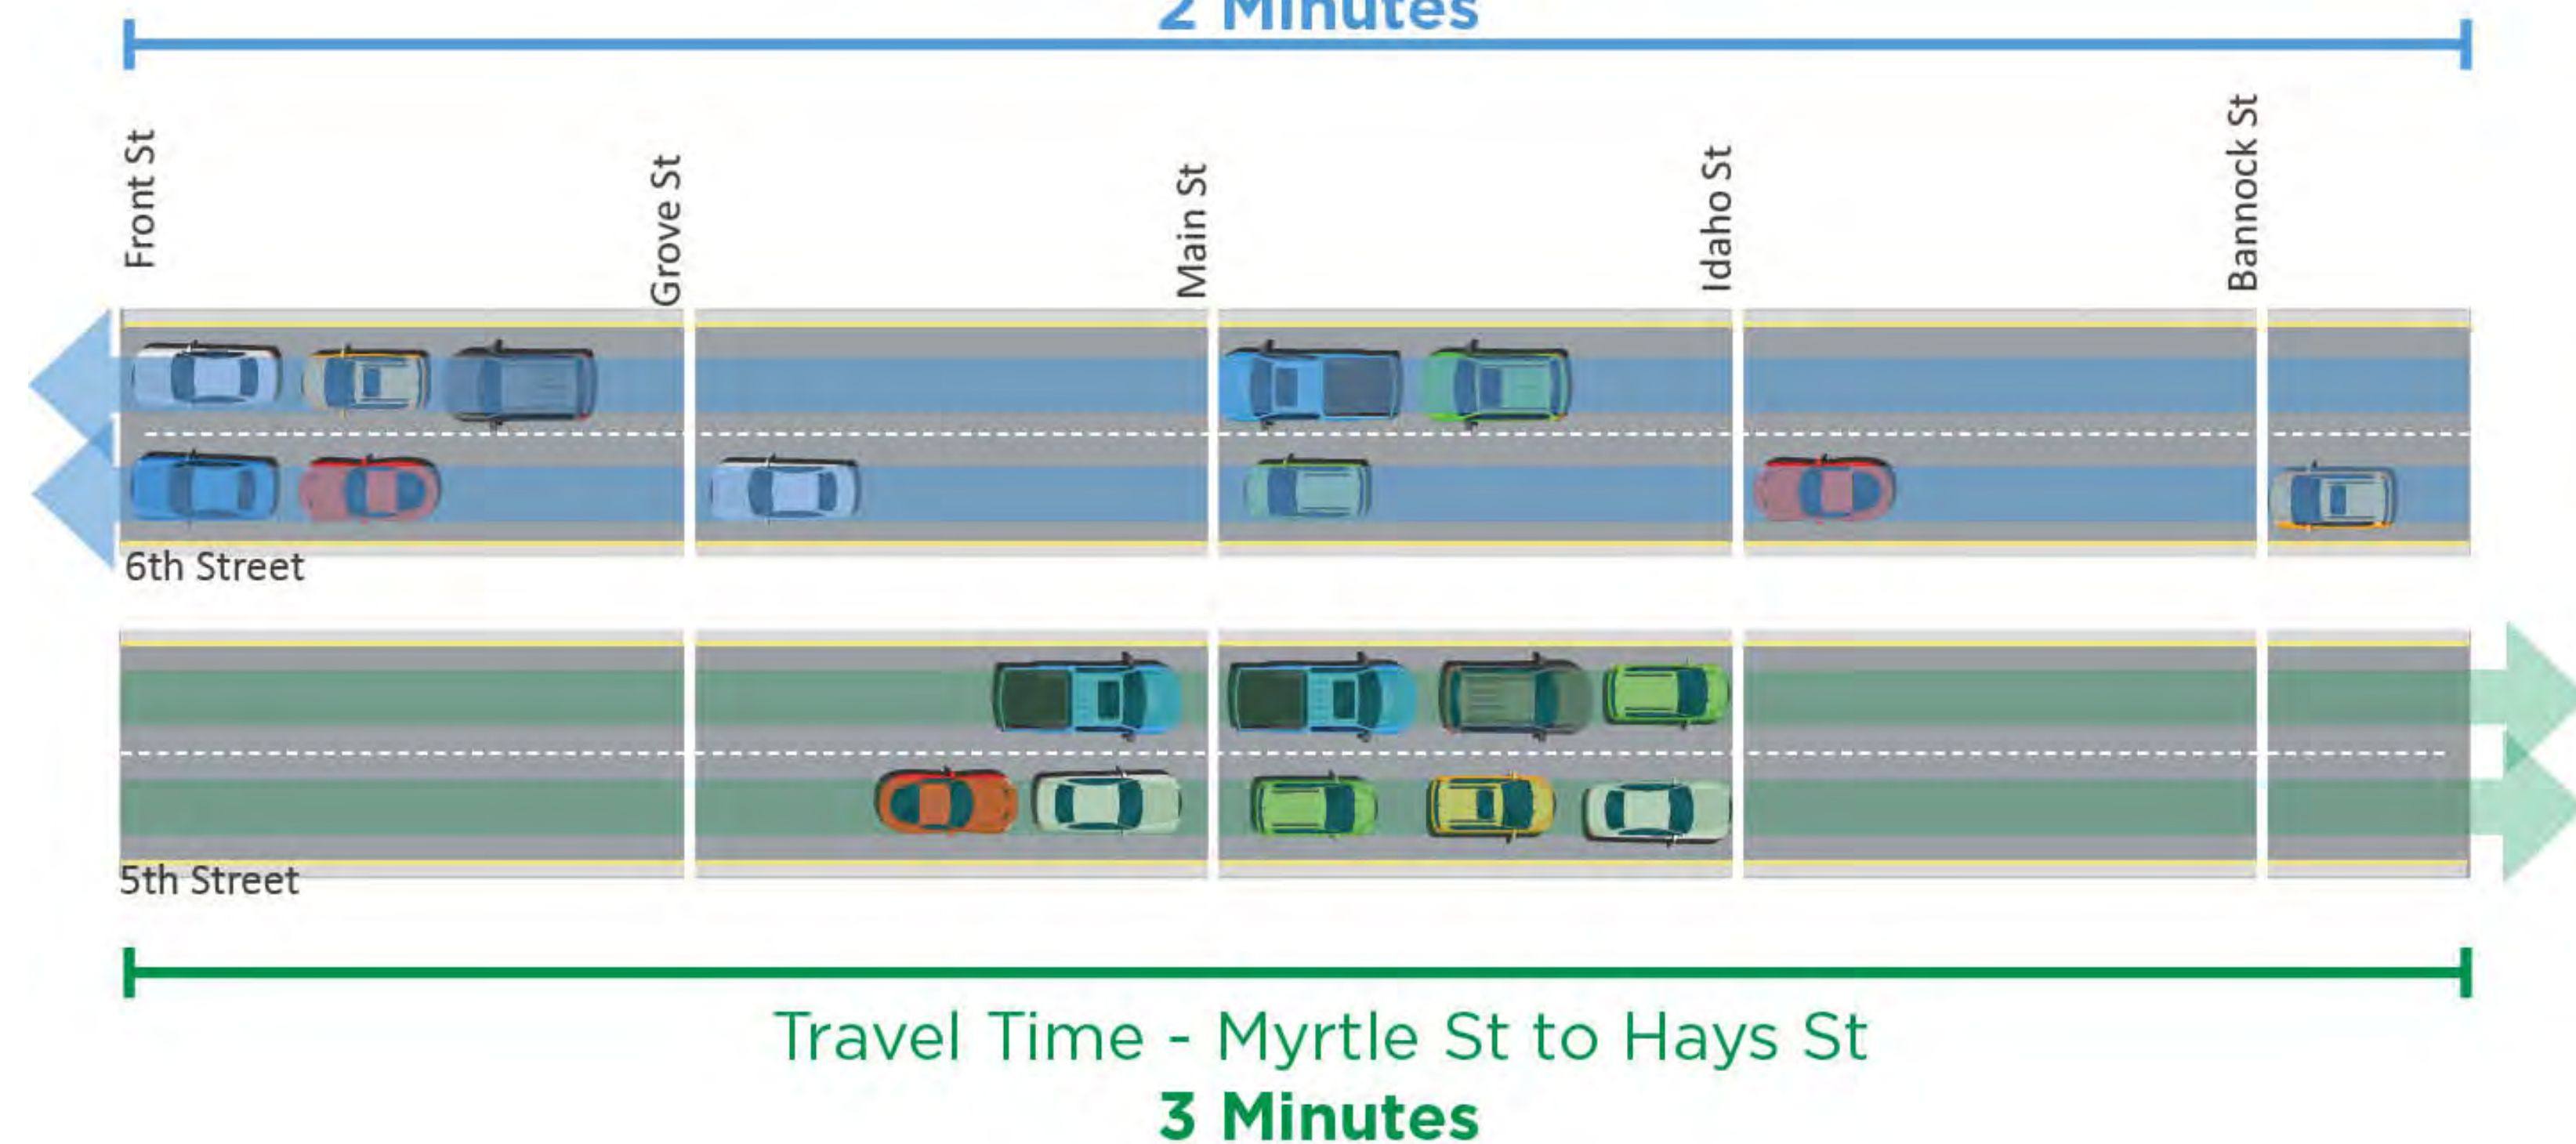

## Potential Trade-Offs

- Continue long delay and queuing at 6th Street & Front Street during PM peak hour
- No change in navigation and wayfinding to new users or visitors

### Current AM Peak Travel Time with One-Way

Travel Time - Hays St to Front St  
**2 Minutes**

### Current PM Peak Travel Time with One-Way

Travel Time - Hays St to Front St  
**6 Minutes**
