ACHD's ADA TRANSITION

PURPOSE

- ACHD works hard to ensure that public right-of-way facilities are accessible to all users. We are presenting ACHD's ongoing efforts and future plans to address accessibility under the Americans with Disabilities Act (ADA).
- The purpose of this open house is to give you an opportunity to tell us:
 - Did we capture all the areas of concern?
 - Are the curb ramps and sidewalks ranked correctly?
 - Is the strategy for addressing barriers adequate?
